

# LOVE DOESN'T LOOK AWAY

**ANNUAL REPORT 2020**  
**LIVE LOVE NORTHWEST**

# 2020 Impact

**1,900 Homeless, Refugees & Elderly** fed over **25,000 lbs.** of food

## **300 Foster Families**

As a sponsor for Families for Families Trunk or Treat, over 300 Foster families were given a “Halloween”.

## **5,500 At-Risk Children**

Live Love Christmas provided gifts at Christmas to 5,500 at-risk children that would have gone without.

## **150 Single Mothers**

Single mothers received gifts and meals at Christmas.

## **1,000 Foster Children**

Foster children receive Welcome Boxes of essentials and comforting items for home transitions.

## **1,100 Volunteers**

Volunteers serve Live Love NW throughout the year.

# Love Doesn't Look Away

---

How well we know that at Live Love NW. And BECAUSE of that, this has been a year of significant “pivoting” to ensure we ‘resemble that remark!’ There have been significant changes, even beyond the impact of the pandemic, that have affected Live Love NW, and we have been so blessed to able to work through all of the challenges and come out the other side in a great position, looking forward to 2021 as a year for growth and increased blessings.

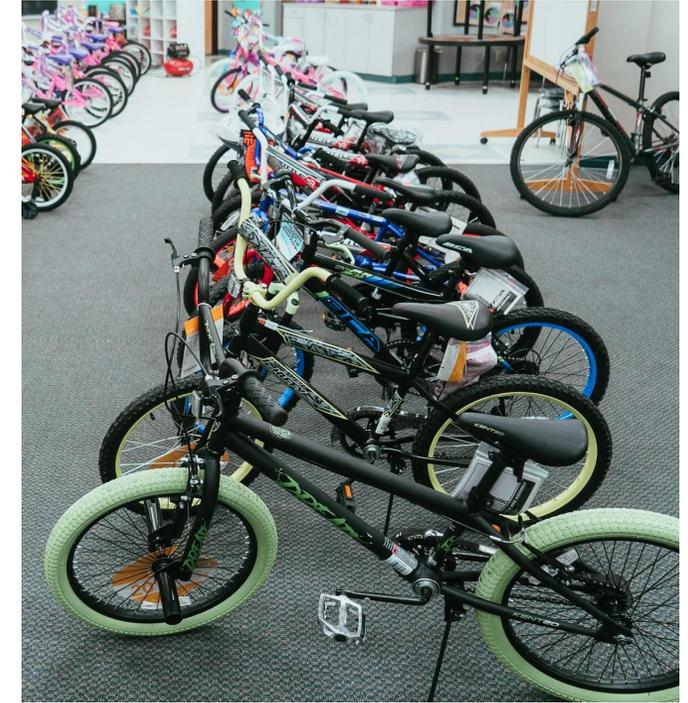

*Becky Hanenkrat  
Executive Director*

*From Executive Director Becky Hanenkrat*

Having lost our previous Executive Director in early January 2020, and the pandemic that hit in early March, we could have/should have been challenged. And yet, we were blessed as we grew our corporate sponsorships and our individual donor base, and were able to truly positively impact the lives of others during a really difficult year for so many. I am so humbled by the response and the generosity of spirit that has made this last year possible. I am awed by the support and generosity of our donors, sponsors, partners, and definitely the volunteers - all of whom are deeply committed to our cause and **have made this our most successful year to date.**

**We closed out 2020 with a higher level of gifts - both financial and in kind - providing us the opportunity for greater outreach than in previous years.** With our partner Mannahouse donating operating funds and providing volunteers, we were able to direct almost 100% of donations received to benefit those we serve. The generosity of others blesses us, and gives us the ability to consistently stay true to our mission.

**It has been a truly astounding  
year of growth for Live Love NW.**

# Our Mission

We seek out and distribute resources through community members and partners to care for our region's foster families, survivors of human trafficking, homeless, and families in need.

In 2020, our focus on five critical areas did not waver. The impact of the pandemic changed our response to needs, but our commitment remained, and will remain strong. Despite COVID, LLNW and our sponsors/partners were able to give to our community in so many ways. What really stands out were three amazing outreach events held despite the pandemic: **The Miracle Miles/Big Give** on August 8<sup>th</sup>, the **Families for Families** drive-through Halloween Trick or Treat parade, and our 10<sup>th</sup> annual **Live Love Christmas**. We welcomed the awesome addition of the Mannahouse Eugene campus which broadens our outreach and ministry in the Eugene/Springfield community.

# LIVE LOVE CHRISTMAS

**We provided Christmas gifts for children in the community experiencing hardship.**

Live Love Christmas was an amazing love-sharing event that stretched across the Portland / Vancouver and even Eugene, OR area. Despite COVID, we served over **1,500** families with over **6,000** gifts for children, gave away over **300** bicycles, wrangled over **500** volunteers, served refreshments to all who came, and shared hope, dignity and the Love of Christ at Christmas.

“

Live Love NW and Mannahouse, along with all of the sponsors and partners, gave hope, dignity and joy for our 10th annual Live Love Christmas! Despite all of the COVID restrictions, we served over 6,000 children ages 0-18, both on the event day, and afterwards. That's 6,000 children who received gifts, bikes, and parental love on Christmas that might have gone without.

”

# FOSTER KIDS & FAMILIES

## **We provided respite care and resources for foster families and children.**

In 2020, we provided movie baskets with essential goods for families during the shutdown. We provided over 200 Movie baskets for “at home entertainment” during the COVID shutdown. We joined with other agencies and companies to provide a “Drive-thru Halloween Trick-or-Treat” for foster families/children to dress up and celebrate and were treated to candy, beverages and gifts to show our appreciation. In Eugene, we provide the space for the newly opened Brighter Side Giving Store, resource for school-aged foster children in crisis that was designed in partnership with Every Child of Oregon.

Northwest

“

We didn't know what to expect when we showed up but was truly amazed when we left. The outpouring of love and respect was needed. Our kids had a blast and got lots of candy. Thank you for thinking of the foster parents too. You guys thought of everything. We thought that this would only be for the kids and I cried as I left the event. Thank you again so much for appreciating us and what we do – it hasn't been an easy year. To see people in person and not just through Zoom on the computer made it much more personable. The kids said it was the best Halloween they have ever had.

”

# FOOD AND BASICS

**We provided food and support for those who are homeless or experiencing hardship.**

In 2020, the need was greater than ever. Our weekly distributions of food and personal care items from our Live Love Center to **700-1,000** homeless on the streets and **15-20** families in shelters continued unabated. The Mannahouse Eugene campus operates Daily Bread ministry, a bi-weekly food pantry in conjunction with Lane County Food Shelf.

Above and beyond those consistent outreach efforts, and in partnership with Mannahouse and the special USDA program, we were able to deliver over **21,000** lbs of food per week from March through August.

Northwest

# CITY CARE

LLNW works in the Portland/Vancouver metro areas to serve our communities. We provide rest stop areas for our local law enforcement. In addition, we serve our communities where there are needs, like disaster recovery efforts, emergency food and shelter if needed.

In 2020, we provided **Law Enforcement Rest Stops** in Portland and Vancouver that receive over 1,000 officer visits per month. We also provided **emergency fire assistance with food, clothing and water** to the Santiam area during the devastating forest fires with **20 pallets** of survival buckets, water, gatorade, basic toiletries & snacks to 2 Oregon Fire Departments, 1 Washington Fire Department & 1 Homeless Shelter.

# SURVIVOR SUPPORT

**We provided advocacy, mentorship and basic needs for survivors of human trafficking.**

This year was very challenged, as the 'stay-at-home' meant that the trafficking went underground, and became less visible. Our goal is to continue to work in this area, strengthening our commitment and we resolve to make a difference.

Northwest

# SPECIAL EVENT: Miracle Miles / Big Give

**Miracle Miles/Big Give:** We partnered with the United Breast Cancer Foundation (UBCF) to transport over **\$2.3M of goods** on two 53-ft trucks from New York to Portland, OR for our cost of \$15K. These new, practical goods were given away to our local foster families and survivors of human trafficking, used for Live Love Christmas, and are still being dispersed to those in need. It was over \$1400 of “return” per dollar on our \$15K investment.

“

“This is so amazing. I had to stop my job of 9 years last August because [my daughter] was born at 29 weeks. I can't believe I found a baby scale. I have been needing that for a year because she hasn't grown much. I have 5 children. We need pillows. It's just a simple pillow, but I can't afford to get new ones. I am so grateful.

*Anna, Big Give/Miracle Mile Participant*

# What Lies Ahead In 2021

We'll continue pivoting to meet the needs of those around us and impact their lives in a positive and meaningful way. We will continue with the ministries, find new opportunities to partner with agencies, working closely other non-profits that align with our mission, hold fundraisers, and spend every day considering how to bless others.

As you read through this report, I invite you to celebrate with us as we look beyond the numbers and see how **our efforts are truly transforming lives.** From nourishment and care for foster families, families in need, to Christmas gifts for children in need—and everything in between—our purpose is designed to have a significant impact on lives, because Love Doesn't Look Away.

Finally, I want to once again thank our individual and corporate donors, our corporate sponsors, our agency partners and especially our volunteers. Every day, you enable us to bring the mission of Live Love NW to life, changing lives for the better, forever. Moving forward, I want to express my attitude of gratitude for all you do. As we continue to reach for new heights, we can indeed become stronger together.
